

## SUGGESTS VAN KIRAN

C. H. Jenkinson Treasurer of Short Line.

## A POPULAR PROMOTION

MR. CALVIN'S CHIEF CLERK GIVEN THE PLACE.

It was a pleasant surprise to his many friends on railroad road to learn that Charles H. Jenkinson was yesterday named to succeed A. J. Van Kiran as local treasurer of the Oregon Short Line. The appointment goes into effect immediately.

Mr. Jenkinson is chief clerk to General Superintendent Calvin of the Short Line, and has been connected with that system for about eighteen years. He was formerly with Mr. Calvin at Nevada and has at all times demonstrated his capability as a railroad man and his fitness for the position of chief clerk. Mr. Jenkinson is a native of Oregon, and is very popular among his associates. His successor as chief clerk in the general superintendent's office has not been named.

## PLANS OF BURLINGTON.

To Join Hands With the Los Angeles Road.

Los Angeles, Cal., Feb. 19.—The Herald says: The San Pedro, Los Angeles & Salt Lake railroad will join hands with the Burlington road at Salt Lake. The Burlington will begin an extension to Salt Lake City for the purpose of meeting the western road as soon as spring weather permits grading. The road now has three terminal yards at Denver, one at Colorado and two in Wyoming. Lyons, forty-eight miles northwest of Denver, is the terminal nearest Salt Lake, but after spending nearly \$1,000,000 in surveys of the country the managers of the road decided that the best entrance to Salt Lake is from Grouse, Wyo., by way of Ogden.

The published rumor that the Harriman syndicate is making overtures for the purchase of the Oregon Short Line, Los Angeles & Salt Lake road is emphatically denied by T. E. Gibbon, vice president of the new line.

## Railroad Notes.

Traffic Manager Babcock of the Rio Grande Western is returning from New York.

The Oregon Short Line special from Utah county for the purpose of meeting the western road as soon as spring weather permits grading. The road now has three terminal yards at Denver, one at Colorado and two in Wyoming. Lyons, forty-eight miles northwest of Denver, is the terminal nearest Salt Lake, but after spending nearly \$1,000,000 in surveys of the country the managers of the road decided that the best entrance to Salt Lake is from Grouse, Wyo., by way of Ogden.

The "Sorrowful Satan" company, which was held up behind the wreck on the Southern Pacific in Nevada, did not reach the city until 1:30 yesterday afternoon.

## WARD'S BAGGAGE ATTACHED

AND COLORADO OFFICERS WANT HIM THERE.

Attachment Suit Over a Wine Bill—Ward Arraigned and Taken to County Jail.

To secure a bill of \$38.50 for wine alleged to have been bought for his wedding supper, an attachment suit was filed yesterday against M. T. Ward, the alleged bigamist who is under arrest here on a charge of obtaining the wine on false pretenses. The suit was heard in Judge Somner's court by P. Schwartz, the main street wine merchant, who is the plaintiff in the case. A writ of attachment was issued and the prisoner's trunk and valises at the police station were taken in charge by Constable Caffal.

While Ward is being held, the defendant in two cases here, he will likely face a more serious charge in Colorado.

A second indictment against Colorado officers was received by Chief Hilton yesterday, asking him to hold Ward by all means, that the defendant be taken to Ward yesterday on the charge of obtaining goods under false pretenses. The attorneys demanded a trial.

Representative of the state, Fred Loof, however, said that the case would not be tried before Thursday morning, and the case was set for that time. Ward was placed under \$500 bonds, and the case of which he was sent to the county jail.

Ward's attorneys, when sent yesterday, said that their client had been informed that the charges against him were untrue, and that he was not a bigamist. He admitted to them that Miss Fox was his only wife.

## TARIFF WAR IS URGED IN CANADA

Ottawa, Ont., Feb. 19.—In the house of commons Mr. MacLean of East York called the attention of the government to a St. Petersburg dispatch announcing the imposition of a retaliatory tariff against the United States. Mr. MacLean argued that Canada should follow the example set by Russia and have a sliding scale tariff which would be directed against those who were not friendly. He said that Canada was the best outside market for the United States, and so long as the Canadians were tooled enough to go on as they were doing, at present, the export trade of the United States would be lost to the American pocket through the tariff.

If Canada did so, the Alaskan boundary question, which has been a bone of contention in both countries would soon be disposed of. The government made no reply.

Chicago, Feb. 19.—At a special meeting of the board of directors of the Illinois Manufacturers' Association resolutions were adopted declaring that the recent ruling on the importation of sugar from Russia, will, under existing circumstances, be a serious injury to the sugar industry of this country.

A meeting of the association is called for Feb. 22 to consider the question of whether it may be necessary to secure a re-hearing of the decision.

Washington, Feb. 19.—Representative Sulzer of New York today introduced in the house the following resolution:

"Resolved, That the secretary of the treasury be, and he is hereby requested, to furnish the house of representatives with a list of all reports, decisions and examinations with his reasons for the same, and all other data, facts and information in any way relating to the duty on Russian sugar imported to this country, and who have been taken in regard thereto by way of retaliation."

## ROOSEVELT LEAVES FOR THE EAST

Colorado Springs, Colo., Feb. 19.—Vice President-elect Roosevelt left here at 6:30 this evening, after another day on the plains, hunting coyotes east and south of Colorado Springs. The ride today included eight runs after coyotes, on only two of which, however, the dogs were loosed. The distance covered was more than fifty miles.

The start was made at 5:30 o'clock this morning and the party, the same as that in the hunt yesterday, returning to Colorado Springs from Poudre, fifteen miles north of here, by train at 4 o'clock this afternoon.

He arrived at the station just in time to board the private car before the train pulled out for the east, and there was no ceremony other than a cheer by the assembled throng and a farewell salute by the man who is soon to be inaugurated as president.

## Testimonial Concert Given at Tabernacle Organ.

City Auditor Threatens to Stop Drawing Warrants.

LETTER WAS STRANGLER

COUNCIL REFUSES TO HEAR THE COMMUNICATION.

Auditor Reiser last evening submitted to the council a lengthy communication, directing attention to the diversion of money from one fund to another in the city treasury.

As the recorder read the communication, the Republican members became nervous, until Councilman Robertson relieved the tension. The council was unappreciative, and before Recorder Nystrom was half through reading he was stopped by a motion from the chairman of the finance committee to meet with the auditor at his office Thursday evening at 7 o'clock. The motion prevailed without dissent.

Auditor Reiser's communication stated in effect that he had before called the council's attention to the misuse of several thousand dollars in the city treasury by the operation of a fund for the redemption of water scrip.

To show that the creation of this fund and also the issuance of scrip were without authority of law, the auditor cited an opinion from the city attorney, and in the next sentence passed an uncomplimentary reference to the author of the opinion. After quoting several sections from the statutes to sustain his position, the auditor made allusions to the treasurer's office.

Reiser's Threat. Concluding, the auditor's communication stated: "Your honorable body will observe how this complicates the city's books, and in trying to pay over \$20,000 which should be applied to the city's expense, affords opportunity for political attacks upon the administration." The auditor then stated that he would refuse to draw warrants on the water scrip fund for payment of public extensions.

The only comment passed when Robertson's motion was open for debate was from Councilman Robertson. He said he was present when the city treasurer and the auditor created the water scrip fund, and Reiser fully acquiesced in the action.

This sentiment was with the concurrence of the whole council in speedily adopting Robertson's motion, which was put without hearing all that the auditor's communication stated. Auditor Reiser sprung another communication on the council by calling attention to the law requiring the treasurer's office to redeem warrants and canceled bonds and interest coupons. The auditor said he had never yet received any of the warrants or interest coupons, so that he could not post up his bond register, and he requested that the treasurer be directed to comply with the law.

The communication was merely referred to the finance committee without comment.

More Pipe Contracts. On recommendation of the board of public works, a contract was awarded to P. J. Moran for furnishing 5,000 linear feet of six-inch cast iron water pipe. Moran's bid to the board was at the rate of \$3.85 per foot, and a Dumbuck, the only other bidder, offered to furnish the pipe for 69 cents a foot, but mentioned nothing about the quality.

A batch of claims, aggregating \$5,320.33, and out of which Moran gets \$4,978.13 on contract work by him, 1885, of Decoration day, at Calder's park, Vail took a Mrs. Sherman for a ride and did not show up till next morning.

Major Thompson's appointment of Land and Water Commissioner Westerfield to represent the city the ensuing season in the division of Parley's canyon water with the federal government, was confirmed.

Directing attention to the approaching trial of the city attorney, the council decided to hold the city attorney's office in the federal court about May 1 and last a month. City Attorney Stephens suggested that the city attorney be directed to prepare and help conduct the trial for the city. The matter was referred to the committee on municipal law with power to act.

Land and Water Commissioner Westerfield called attention to the necessity of cleaning the city's irrigation canal and repairing the dunes before the irrigation season commences. It was estimated that the cost would approximate \$1,800, and the matter was referred to the committee on irrigation.

Higher Bid For Land. For the city's forty-seven and one-quarter by 165 feet of ground adjoining the Eighth ward meeting house on the east, which the council committee on public grounds offered to sell on long time payments to the Mormon church corporation of the ward for \$1,500, the Hebrew Congregation Montefiore offered \$2,000. The proposition was referred to the committee on public grounds.

The department payrolls for the half month ending Feb. 15, aggregating \$4,569.75, were referred to the finance committee, with the chairman of each department committee associated for approval.

The claims of Wells, Fargo & Co. in the sum of \$2,330.98, and the National Bank of the Republic, \$1,709.09 for interest on the city's overdraft last year were allowed, on recommendation of the finance committee.

After passing the appropriation law, which was called for by its order, the council held the committee meetings Monday night, instead of Friday, Washington's birthday, the council adjourned.

Salt Lake Trade. Salt Lake trade conditions are reported in Dun's Review as follows: "Whole trade in Utah shows some activity, and trade in mining machinery and hardware is fairly satisfactory. Groceries, dry goods, shoes and clothing are quiet, though the local sugar market is dull and featureless. Good news, however, have strengthened the situation and the outlook is fairly encouraging. The demand for coal is slightly improved, the bank deposits are well maintained. Collections are slow and retail trade quiet. The ore and bullion movement is of fair volume."

Another Gilsonite Suit. A case was begun against L. V. Shearer in the federal court about the 25th of last month and service of summons was made yesterday. The reason for the delay was the absence of Mr. Shearer from the state. Deputy United States Marshal Smith received word of his arrival yesterday, and after a long search around town finally succeeded in locating him. The action against Shearer is brought by the government for mining gilsonite from government lands.

To Cure a Cold in One Day. Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 50c.

At Bed Time. I take a pleasant herb drink, the next morning I feel bright and my complexion is better. My doctor says it acts gently on the stomach, liver and kidneys, and is a pleasant laxative. It is made from herbs, and is prepared as easily as tea. It is called Lane's Medicine. Lane's family medicine moves the bowels each day. Price, 25c. and 50c. For sale by Godde-Pitts Drug company, Salt Lake City, Utah.

Count Weds American Girl. Cincinnati, Ohio, Feb. 19.—The marriage of Miss Clara B. Longworth of Cincinnati and Count Adelbert De Hambro of Archibishop Ireland at the home of the bride's mother, the widow of the late Judge Nicholas Longworth, on East Walnut Hill. The maid of honor was Miss Annie Rives Longworth. The bride was given in marriage by her brother, the Honorable Nicholas Longworth. The groom is the son of the United States minister to Spain, is an aunt of the bride.

Auditor Reiser last evening submitted to the council a lengthy communication, directing attention to the diversion of money from one fund to another in the city treasury.

As the recorder read the communication, the Republican members became nervous, until Councilman Robertson relieved the tension. The council was unappreciative, and before Recorder Nystrom was half through reading he was stopped by a motion from the chairman of the finance committee to meet with the auditor at his office Thursday evening at 7 o'clock. The motion prevailed without dissent.

Auditor Reiser's communication stated in effect that he had before called the council's attention to the misuse of several thousand dollars in the city treasury by the operation of a fund for the redemption of water scrip.

To show that the creation of this fund and also the issuance of scrip were without authority of law, the auditor cited an opinion from the city attorney, and in the next sentence passed an uncomplimentary reference to the author of the opinion. After quoting several sections from the statutes to sustain his position, the auditor made allusions to the treasurer's office.

Reiser's Threat. Concluding, the auditor's communication stated: "Your honorable body will observe how this complicates the city's books, and in trying to pay over \$20,000 which should be applied to the city's expense, affords opportunity for political attacks upon the administration."

The auditor then stated that he would refuse to draw warrants on the water scrip fund for payment of public extensions.

The only comment passed when Robertson's motion was open for debate was from Councilman Robertson. He said he was present when the city treasurer and the auditor
